Design Experience

Creative Director, Respect My Celebrity, Washington D.C. | January 2009 - Present

Clothing and lifestyle brand. Developed identity and overall branding. Responsible for creating and over seeing all graphics for apparel. Created marketing materials including banners, fliers, and promotional books.

Freelance Designer, Chino Hills, CA | January 2008 - Present

Various clients across the country including B1end an R&B band, Best Get an internet based design company, and the Batangas Association of Hampton Roads. Items created include posters, packaging, and event programs.

Graphic Designer, Jenifer Tracy Designs, Los Angeles, CA | September 2007 - July 2008

Los Angeles based design studio. Responsibilities included handling production and design of printed materials for clients ranging from small banks to Hollywood celebrities. Types of work included internal and external marketing materials, posters, mailers, and packaging.

Graphic Designer, Connectool, Inc., Oilville, VA | September 2004 - December 2007

Data communication tool company. Main responsibilities were to create all in-house printed materials including packaging, sell sheets, posters data sheets, promotions, header cards and fliers. Preparing files for pre-press was a daily activity.

Education

Virginia Commonwealth University, Richmond, VA — Bachelor Degree of Fine Arts in 2006
Communication Arts + Design with a focus in Graphic Design.
